

How to create a personal account?

To create a personal account, you must:

- Type in your browser's search bar az-companies.com
Then click on **Create Account**, you will then have two (02) choices:
Staff
Enterprise
Click on "**personal**" then a form will appear to fill in the information about you such as: **Your name, first name, telephone number, Email, password.**
Before **Validating**, you must accept the terms and conditions of use, and subscribe to the newsletter.
